Behoa language

Behoa (also **Besoa**) is an Austronesian language spoken in the North Lore district of Central Sulawesi, Indonesia. Together with Napu and Bada, it belongs to the Badaic subgroup.[3] Based on lexical similarity, Behoa occupies an immediate position within Badaic between Napu and Bada; nevertheless it is geographically, politically and culturally distinct.[3]

Behoa	
Besoa	
Native to	Indonesia
Region	Sulawesi
Native speakers	10,000 (2007)[1]
